

September 19, 1942, letter from Alan Lomax to H.M. Bond

September 19, 1942 Doctor H. M. Bond Ft. Valley State College Ft. Valley, Georgia

Dear Doctor Bond:

I am in the midst of setting up a project which will include recording fellowships in the South during 1943–44. Do you have any suggestions for persons to do such work in Georgia for the Library of Congress. If so, I should appreciate your writing me about the matter and suggesting that these parties themselves write me about what they have done and are interested in doing.

I was sorry to again miss your festival at Fort Valley, but I am sure I can come next time, if you will let me know.

My kindest regards.

Cordially yours, Alan Lomax Assistant in Charge of the Archive of American Folksong
